*0 of 0 people found the following review helpful. very pleased By Geri Friesenhahn The book I ordered was correct and my son was able to use in his college course. I would recommend to everyone.*

*Book is unused and in great shape. It also comes with a My Math Lab Student Access Kit that has been activated but i can give you the log in information. As of 2/21/13 there is still a year left on it. It also comes with a Chapter Test Prep DVD unopened. Book also has like help pages and stuff. Paid \$140*
